New Jersey  
Educators  
Exploring the  
Practices of  
Reggio Emilia

---

**NJEEPRE, INC.**

176 Cooper Avenue, Montclair, NJ 07043

*NJEEPRE, Inc. was formed in April 2003 by a group of professionals working together to foster an understanding of the principles and practices of the Reggio Emilia approach to educating young children. Reggio principles promote and defend the right of all children and families to have access to active, intrinsically rewarding educational experiences that respect the child and that have intellectual integrity and cultural relevance. Reggio principles are consistent with the developmentally appropriate practice guidelines of NAEYC. NJEEPRE, as a professional collaborative, is dedicated to the study & implementation of best practice for young children and is committed to helping teachers integrate its principles into American school culture.*
